Meet the Staff

Jessica has served the Aurora Public Library District for eight years. She is our Technical Services Team Leader and catalogs all the items that we add to our collection. You may have seen her working the circulation desks or lending a hand with programs. She enjoys reading teen and adult romances, biographies, and cannot resist anything with a witch in it. She spends her free time watching football (WhoDey!), professional wrestling, and movies with her husband. She enjoys laughing and crafting with her son. She'll help you find your next favorite read!
